Approval: Mr. Shiva Kumar.

This test summary report details the testing activities conducted for the Tutorials Ninja Web Application during the period from 05/02/2025 to 10/02/2025.

The objectives of this report are:

- To provide an overview of the test case execution status.
- To provide an overview of the bug report status.
- To present a summary of the defects identified and their current status.
- To offer suggestions for the next phase of testing.

## **TEST CASE EXECUTION STATUS**

The table below summarizes the status of all test cases executed for the Tutorials Ninja Web Application during the testing period:

### **Test Case Status Result**

Total Number of Test Cases          60

Passed Test Cases	55
Failed Test Cases	05
